CONSOLE SINK & FIXTURE

20¹⁷

Adding minimalist design with traditional elements best describes the Fauceture series.

This assemblage features the essential products that help makeup a classical-themed lavatory. For bathrooms that leave minimal to adequate spacing, the provision of our marble vanity tops displays a sleek subtleness that will coordinate perfectly with other décor.

To complete the look, pedestal legs are offered in four different material options—brass, stainless steel, vitreous china and acrylic (with your choice of brass fittings), each allowing durable functionality as well as customizing options with its aesthetic appeal. Created to bring confidence to any bathroom, the Fauceture series offers a convenient but gleaming exhibition for traditional and transitional living spaces. Complimentary to those themes, Fauceture’s subtleness offers versatility in bathroom design.
